

Stavanger 24th of February 2010

To whom it might concern

IMPORTANT - Change of Name and Contact Details

add energy group was founded in 2007, although the group heritage is from 1986. We have three business areas: *Consulting, Energy & Environment and Drilling & Production*. See www.addenergy.no for more details.

From the 1st of January 2010, all consultancy services will be delivered by **add consulting as** (former add vestdrill as). The companies: add safety, add falcon, add penta and the consultancy part of add upstream seized to exist as they have been merged with add **consulting as**.

All correspondence shall be directed to:

Surface mail: add consulting as, P.O.Box 8034, 4068 Stavanger, Norway
